PRESS RELEASE

ROP Social Security Administration Celebrates 55th Anniversary by Supporting Homebound Community Service.

On July 1st, 2023, the ROP Social Security Administration proudly commemorated its 55th Anniversary. In honor of this significant milestone, the Administration, alongside its dedicated staff and the invaluable support of the Board of Trustees, decided to dedicate this significant event to the Homebound Community Service initiative. This initiative, operating under the Ministry of Health and Human Services, Community Health Clinic, provides essential assistance to individuals who are homebound.

Recognizing the importance of community involvement, the Administration reached out to the public to seek support from compassionate donors. The aim was to gather a comprehensive range of essential supplies that would improve the comfort and well-being of homebound individuals.

With immense gratitude, we extend our sincere appreciation to our esteemed donors/sponsors, whose generous contributions were instrumental in making this event a success. We would like to recognize and express our heartfelt thanks to the U.S. Embassy-Palau, represented by the Honorable James A. Boughner, Charge d’Affaires, and Lieutenant Colonel Amanda Owens of the Oceania Engagement Team for their helpful support and assistance. Additionally, we extend our gratitude to the Bel-Pacific Inc, Chelebacheb Distributors, and LCM Enterprise dba Pacifikamed Pharmacy for their generous contributions and unwavering support. Without your charitable efforts, this milestone event would not have been possible.
