**Public Announcement: To all SS Beneficiaries**

Due to the impact of Typhoon Mawar on Guam, certain banks and banking services have been greatly affected. The ROP Social Security Administration wishes to inform all SS beneficiaries that your monthly benefit will be deposited into your bank account as scheduled. The ROP Social Security Administration is working closely with those banks, whose services have been affected, to assure that benefit payments are received on time and without any difficulty or inconvenience.

Thank you all for your understanding and should you have any questions on your monthly benefit payment(s), you can contact us @ 488-2457 during regular working hours (8am to 5pm). For deposit confirmation to your account(s), please contact your bank directly.
